MathArea

The children will continue to learn more about the numbers they are working with and learn the concepts of more and less. For the older children, we will be teaching carrying over (dynamics) and counting by 5 and 10. Younger children will work on sandpaper numbers, red rods and Decimal system 1-10.

Practical Life Area

This month we will focus on how to use measuring spoons, sewing card and tweezerwork and small spoon transfer work.

Science and Geography

This month, we will focus on Africa and north America. We will learn about the weather and animals that live there. Also, we will explore cultural diversity with the children as we focus on the many holidays.
